

Instructions for writing an abstract for 10th Symposium of Chemistry Students

An abstract is a condensed form of scientific research work. The abstract for 10th SiSK should be written in English according to the abstract template, and it needs to be in the form of a Microsoft Word document (.doc or .docx). It should be written in one paragraph according to the template, and it is supposed to be written in third person, in passive form, and in past tense.

Before the text of the abstract, it is necessary to state:

- title of scientific research work, oral or poster presentation, respectively,
- names of authors,
- addresses of the represented institution for each author (e.g. Department of Chemistry, Faculty of Science, University of Zagreb, Horvatovac 102a, 10000 Zagreb),
- e-mail address of the first author.

Abstract text must contain:

- short introduction,
- summarized overview of used materials and methods,
- most important results,
- conclusion,
- references (as stated in the template).

Abstract text needs to be written in Times New Roman font, font size 10, justified alignment.

Defined spacing is 1.0 and it is necessary for it to remain so. It is also necessary to attach graphical abstract with width of 13 cm and length of 7 cm. Graphical abstract must be in one of the following formats: .jpg, .jpeg, .tiff or .png.

Additionally, references should be cited according to the instructions in the template. Abstract, together with graphical abstract and literature references, must be contained on one page (about 300 words together with graphical abstract of maximum dimensions and two literature references).

Before submitting your abstract, please register as an active participant of the Symposium on our website (<https://sisk.hkd.hr>)

Name your abstract file like **SurnameOfTheFirstAuthor_SiSK10.docx** and send it to the e-mail address sisk@hkd.hr by **September 1st 2025 at 11:59 p.m.**
